- ✓ **Consolidated View** – Multi-month reconciliation through a single-view of entire year's data

Pain Areas of Indian Industries and Tax Consultants on GSTR 3B Day and Innovative Solutions from TRUST FINTECH

Pain Areas on the 20th of the month

- 01 Manual Reconciliation & limited use of technology & capable resources constraints
- 02 Missing vendor invoices in GSTR-2B which causes unclaimed Input Tax Credit (ITC) due to delayed or non-uploaded invoices
- 03 Inactive or non-compliant GST profiles blocking ITC Eligibility
- 04 Low-cost tools fail to address advanced reconciliation needs, increases workload & errors
- 05 Complex mismatches, e.g., one-to-many, many-to-many, invoice Number related mismatches with books Vs 2B are not reconcilable manually
- 06 Availability of highly advanced tools are at unaffordable costs*
- 07 Availability of only few Recon buckets causes high manual intervention which is time consuming and produce In-accurate results

Innovative Solutions from Trust Fintech

- ✓ Advanced Technology base Recon to avoid human constraints
- ✓ Highly informative tool identifies various types of missing vendor invoices to claim accurate ITC and vendor payment
- ✓ Real-time verification of GSTN status of the vendor in built with Recon tool
- ✓ Affordable tool which addresses the up-to-date needs of 2B & PR Recon to eliminate human errors
 - Designed for complex IDT Recon issues such as one 2B invoice is equal to multiple invoices in the books and vice versa
 - Solutions for the issues of suffix & Prefix numbers on the invoices
- ✓ Modern tool for complex IDT problems designed at affordable cost to address large market needs.
- ✓ 20+ Buckets of Recon results (2B vs Books)

Benefits of SoftGST Elite

- 01 Trust's multi-vendor communication module streamlines the process by eliminating manual intervention, enabling the simultaneous dispatch of multiple emails to vendors. This automation saves significant time and enhances efficiency
- 02 The user will be able to take the decision for making the payment to the vendor by knowing the GSTN status of the vendor
- 03 20+ Buckets of Recon results will empower the user to claim ITC up to 97%* and saves enormous time for the finance team from manual recon process which is the highest pain area on 3B day
- 04 Since the tool is affordable and highly advanced it enables the user to adopt technology for Maximum ITC, and huge cost saving
- 05 Finance team can take the decision on additional capital requirement and blocking the payment according to Recon results
